**C-MORE SYSTEMS™ CRW
POLYMER ELECTRONIC
REFLEX SIGHT**

This C-More Systems™ CRW sight (FNH USA Part Number 1800000001) is the first choice of top-level competitors and tactical operators worldwide. It features an innovative open-tube design, durable polymer construction and adjustable brightness control. The sight easily mounts on any Weaver or MIL-STD 1913 accessory rail.

This offer is only valid on the following FN PS90 Triple Rail models (FNH USA Part Numbers 3818950140, 3818950160, 3848950040 and 3848950060) and on the following FN FS2000 Tactical models (FNH USA Part Numbers 3835980040 and 3835980060). This offer is limited to one (1) C-More Systems™ CRW sight for each qualifying FN PS90 or FN FS2000 firearm purchased, and cannot be combined with any other offer or promotion.
